- ✓ (4) "Local Authority" means the Rural Municipality of Moose Range No. 486.
- ✓ (5) "Regulations" means regulations made pursuant to the Act.
- ✓ (6) "Municipal Official" means the Administrator, Building Inspector or appointed Designate.
- ✓ (7) "Municipality" means the identified land boundaries for which are under the control of the Rural Municipality of Moose Range No. 486.
- ✓ (8) Definitions contained in the Act and Regulations shall apply in this bylaw.

SCOPE OF THE BYLAW

3. (1) ✓ This bylaw applies to matters governed by the Act and the Regulations, including *The National Building Code of Canada*, and the Administrative Requirements.
- ✓ (2) Notwithstanding subsection (1), references and requirements in *The Administrative Requirements* respecting matters regulated by the Act and Regulations shall not apply.
- ✓ (3) ✓ The requirements of this bylaw apply to all buildings including one and two-unit dwellings and their accessory buildings located on farms.
- ✓ (4) ✓ Notwithstanding 3(3), the following are exempt from the requirements of this bylaw:
 - a) Farm buildings as defined in the UBAS Act.
 - b) Accessory buildings less than ten (10) square metres (107.6 square feet) in area size provided they do not create a hazard.

GENERAL

- ✓ (1) A permit is required whenever work regulated by the Act and Regulations is to be undertaken.
- ✓ (2) No owner or owner's agent shall work or authorize work or allow work to proceed on a project for which a permit is required unless a valid permit exists for the work to be done.
- (3) The granting of any permit that is authorized by this bylaw shall not:

Farm Buildings

- (a) entitle the grantee, his successor or assigns, or anyone on his behalf to erect any building that fails to comply with the requirements of any building restriction agreement, bylaw, act and/or regulation affecting the site described in the permit, or
- (b) make either the local authority or its authorized representative liable for damages or otherwise by reason of the fact a building, the construction, erection, placement, alteration, repair, renovation, demolition, relocation, removal, use or occupancy of which has been authorized by permit, does not comply with the requirements of any building restriction agreement, bylaw, act and/or regulation affecting the site described in the permit.
- (4) A building permit shall not be issued unless a development permit has also been issued.
- (5) Prior to moving a building into the municipality a building permit is required. All buildings are subject to inspection (s) by the authorized representative prior to the building being moved.

BUILDING PERMITS

5. (1) Every application for a permit to construct, erect, place, alter, repair, renovate or reconstruct a building shall be in **Form A**, and shall be accompanied by two sets of the plans and specifications of the proposed building also showing setbacks from property lines, except that when authorized by the local authority or its authorized representative plans and/or specifications need not be submitted.
- (2) If the work described in an application for building permit, to the best of the knowledge of the local authority or its authorized representative, complies with the requirements of this bylaw, the local authority, upon receipt of the prescribed fee, shall issue a permit in **Form B** and return one set of submitted plans to the applicant.
- (3) The permit fee for construction, erection, placement, alteration, repair, renovation or reconstruction of a building shall be based on the following:
- a) A permit administration fee of \$25.00 (twenty five dollars) for the processing, handling and issuance of a building permit; plus
 - b) The service fees for plan review, field inspection of construction and enforcement services in accordance with the agreement between the provider of building official services and the local authority; plus
 - c) The maintenance fee(s) charged by the Saskatchewan Assessment Management Agency.
 - d) All permit fees will be collected prior to the permit being issued and subject to applicable taxes.
- (4) Approval in writing from the local authority or its authorized representative is required for any deviation, omission or revision to work for which a permit has been issued under this section.
- (5) The local authority may estimate the value of construction for the work described in an application for building permit, for the purpose of evaluating a permit fee, based on established construction costs, owner's statement of costs or constructor's contract values, or similar methods selected by the local authority.
- (6) All permits issued under this section expire six (6) months from the date of issue if work is not commenced within that period unless prior written agreement of the local authority.
- (7) All permits issued under this bylaw are expected to be completed within a twenty-four (24) month period.
