Purpose:

2. The purpose of this bylaw is to provide issuance of the Development permits, conditional upon payment of the fees required as provided for in the Development Fees Policy.
3. The purpose of fees for Development permits is to, at a minimum, compensate the municipality for fees charged to it; by the assessment agency, by advertising businesses, should it be required, and by any other organization, individual or agency that may be required.
4. This bylaw does not replace the municipal building bylaw and, as such, is to be used in conjunction with it.

Provisions:

5. The permit application to be used is set out in Form "B", and the sign application to be used is set out in Form "C" attached hereto and forming part of this bylaw.
6. The fees shall be set out in Schedule "A" attached hereto and forming part of this bylaw.
7. Unless otherwise provided for in this bylaw, all fees prescribed in Schedule "A" shall be paid and MUST accompany a complete Form "B" AND Form "C", should Form "C" be prescribed, before the Development Officer will consider the application to have been received.
8. The Development Officer may determine that the whole or part of an application fee may be returned to the applicant.
9. If a cheque used for payment of fees or services is returned to the Rural Municipality of Moose Range No. 486 due to non-sufficient funds or closure of the account, the fee is deemed to not have been received.
10. Should the developer engage the use of the planner designated by the municipality AND should the municipality be invoiced for the planner's time, the municipality shall pay the planner's invoice and all costs shall be submitted to the developer for reimbursement.
11. The municipality reserves the right to invoice the developer for any fees or encumbrances to external contractors, municipalities, or individuals that may be incurred during the development.
12. In any case, where the required fee is not listed in Schedule "A", such fee shall be determined by the Development Officer.
